CATALOGO GENERALE DUEMILANOVE

... una scelta Made in Italy

antealuce[®]

Da oltre trent'anni progettiamo e realizziamo, prodotti per illuminazione esclusivamente ed orgogliosamente MADE IN ITALY. MADE IN ITALY riconoscibile anche nella nostra struttura produttiva ed operativa, ricca di risorse tecniche e professionali, in grado di fornire risposte puntuali alle esigenze di personalizzazione, tipiche delle forniture CONTRACT settore nel quale il marchio ANTEALUCE è in forte espansione. MADE IN ITALY una scelta di produzione, stile e qualità autentici.

For over thirty years we design and realize lighting items only and with proud MADE IN ITALY. MADE IN ITALY is visible also in our operative facility, rich of technical and professional resources, able to give precise answers to specific demands of personalization, typical of CONTRACT and Hotel's supplying. This is one of the field where ANTEALUCE trademark works more and more with satisfaction. MADE IN ITALY... a choice of authentic production, style and quality.

Nhora - (Realizzazione su misura) - Abitazione Privata - Studio Elettrocentro- Jesi

nhora

Sospensione ed appliques caratterizzate dalla brillante combinazione fra la montatura cromo lucido e i dettagli in strass molato. La lucentezza della finitura e dello strass, unite alla diffusione della luce ottenuta grazie alla brillantezza delle lampadine alogene, donano un particolare effetto di eleganza e leggerezza.

Hanging and wall lamps, characterized by the bright combination between the chrome plated fixtures and the cut crystal details.

Brightness of fixture and strass, added with the special light diffusion given by the brilliance of halogen lamps, make a particular effect of elegance and lightness.

Lucilla

Art. 4972.30

Serie di apparecchi particolarmente gradevole per l'armonico accostamento di linee, finiture e vetri. Lucilla si arricchisce ora di nuovi articoli che rendono la collezione ancora più completa perché facilmente adattabile sia in ambienti molto grandi che in piccoli ambienti, il tutto sempre coordinabile. Struttura in metallo completamente lavorato e decorato a mano. Vetri in cristallo trasparente con graniglia ambra, interamente lavorati a mano.

Series of fittings particularly pleasant, thank to an harmonic composition of lines, details and glasses. Lucilla grows rich in new items that make this collection still more complete because now is well adaptable both in very large rooms and in small ones, allowing all items coordinable. Fixture is completly hand worked and decorated. Glasses are in crystal with amber grit, hand worked.

giada

Linea di apparecchi in cristallo lavorato a mano, in diverse versioni: cristallo graniglia trasparente (C), cristallo graniglia ambra dorata (A) e cristallo satinato lucido con particolari trasparenti (S). La lucentezza del cristallo e la sobrietà delle linee consentono a questi prodotti di dare eleganza agli ambienti, con leggerezza ed essenzialità delle finiture. Struttura in metallo cromo lucido.

Series of light items with crystal available in: transparent grit (C), gold amber grit (A) and polished satined with transparent details (S). Crystal's brightness and lines's sobriety allow these products to give elegance to rooms, with the lightness and essentiality of details. Polished chromated metal fixtures.
